

HOME COMPLETE PRO

SKU: 45215 MAP: £795.00

FEATURES

- Boosts all available networks speeds for enhanced cell signal coverage
- Offers an ideal solution for homeowners and residents
- Supports multiple cellular devices and users simultaneously
- Tool-free installation. No need to drill holes.

ABOUT

Time to fix those mobile signal trouble spots. Home Complete Pro signal booster is our top-of-the-line, most powerful home booster, providing targeted coverage for every user. You can install Home Complete Pro and cover up to 1000 square metres.

Immediately after installation, users will notice faster app performance, streaming without buffering, fewer dropped calls, and reliable messaging. Mobile hotspots and video calls work better too.

SignalHero Home Complete Pro works with all the UK providers and mobile devices. No matter how many people live in your home or visit you, everyone at home gets a boost, including 3G, 4G, and 5G signals. No subscription or ongoing costs. Backed by a 30-day, money-back guarantee and 2-year warranty from the most trusted name in mobile signal boosting technology.

CONNECTORS	W-Female	
BOOSTER DIMENSIONS	31 × 17 × 6.5 cm	
BOOSTER WEIGHT	2.2kg	

INSTALLATION

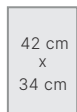

- 1 Receives signal:** The outside antenna reaches out to access the existing strong outdoor cell signal and delivers it into the booster.
- 2 Boost signal:** The booster receives the signal, amplifies it, and serves as a relay between your phone and the nearest cell tower.
- 3 Broadcasts signal:** Your devices get a stronger signal, and calls and data are fed through the booster back to the network.
